SENATE BILL

No. 279

Introduced by Senator Hancock

February 14, 2013

An act to amend Section 66704.05 of the Government Code, relating to the San Francisco Bay Restoration Authority.

LEGISLATIVE COUNSEL'S DIGEST

SB 279, as amended, Hancock. San Francisco Bay Restoration Authority.

Existing law establishes the San Francisco Bay Restoration Authority to raise and allocate resources for the restoration, enhancement, protection, and enjoyment of wetlands and wildlife habitat in the San Francisco Bay and along its shoreline. Existing law authorizes the authority to levy a benefit assessment, special tax, or property-related fee consistent with the California Constitution, as specified. Existing law requires the board of supervisors of each affected county, when the authority proposes a measure to levy a special tax for submission to the voters, to call a special election on the measure and place the measure on the ballot of the next regularly scheduled statewide election.

This bill would specify that a measure proposed by the authority must be submitted to the voters of the authority in accordance with the provisions of the Elections Code applicable to districts, as specified.

This bill would require the authority to file with the board of supervisors of each affected county a resolution requesting consolidation. This bill would require the legal counsel for the authority to prepare, subject to review and revision by a specified county counsel, an impartial analysis of the measure. This bill would require the elections officials of those affected counties to mutually agree to use the same letter designation for the measure.

By imposing new duties or higher levels of service on local elections officials, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 66704.05 of the Government Code is
2 amended to read:
3 66704.05. (a) If the authority proposes to levy a special tax
4 pursuant to subdivision (a) of Section 66704, the board of
5 supervisors of the county or counties in which the special tax is
6 proposed to be levied shall call a special election on the measure.
7 The special election shall be consolidated with the next regularly
8 scheduled statewide election and the measure shall be submitted
9 to the voters in the appropriate counties, consistent with the
10 requirements of Article XIII C or XIII D of the California
11 Constitution, as applicable.
12 (b) The authority is a district, as defined in Section 317 of the
13 Elections Code. Except as otherwise provided in this section, a
14 measure proposed by the authority that requires voter approval
15 shall be submitted to the voters of the authority in accordance with
16 the provisions of the Elections Code applicable to districts,

including the provisions of Chapter 4 (commencing with Section 9300) of Division 9 of the Elections Code.

(c) The authority shall file with the board of supervisors of each county in which the measure shall appear on the ballot a resolution of the authority requesting consolidation, and setting forth the exact form of the ballot question, in accordance with Section 10403 of the Elections Code.

~~(d) The authority shall transmit a copy of the measure to the legal counsel for the authority, who shall prepare an impartial analysis of the measure in accordance with Section 9313 of the Elections Code.~~ *measure*. The impartial analysis prepared by the legal counsel for the authority shall be subject to review and revision by the county counsel of the county that contains the largest population, as determined by the most recent federal decennial census, among those counties in which the measure will be submitted to the voters. If there is no legal counsel for the authority, the authority shall transmit a copy of the measure to the county counsel of the county that contains the largest population, as determined by the most recent federal decennial census, among those counties in which the measure will be submitted to the voters, and the county counsel shall prepare the impartial analysis.

(e) Each county included in the measure shall use the exact ballot question, impartial analysis, and ballot language provided by the authority. If two or more counties included in the measure are required to prepare a translation of ballot materials into the same language other than English, the county that contains the largest population, as determined by the most recent federal decennial census, among those counties that are required to prepare a translation of ballot materials into the same language other than English shall prepare the translation and that translation shall be used by the other county or counties, as applicable.

(g) The county clerk of each county shall report the results of the special election to the authority.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain

1 costs that may be incurred by a local agency or school district
2 because those costs are the result of a program for which legislative
3 authority was requested by that local agency or school district,
4 within the meaning of Section 17556 of the Government Code and
5 Section 6 of Article XIII B of the California Constitution.

6 However, if the Commission on State Mandates determines that
7 this act contains other costs mandated by the state, reimbursement
8 to local agencies and school districts for those costs shall be made
9 pursuant to Part 7 (commencing with Section 17500) of Division
10 4 of Title 2 of the Government Code.
